

WELCOME MESSAGE

Dear Friends and Colleagues,

It is a big pleasure to invite you all to the Annual Meeting of the Rhinoplasty Society of Europe to be held in Riga, Latvia, from 21-22 June, 2024.

The Local Organising Committee under the guidance of Tatjana Bogdanova is dedicated to offering you an interesting program with highly prestigious speakers, to address current issues and new challenges in the field of rhinoplasty. We are also particularly looking forward to meeting our young colleagues to share their experiences, results and ideas.

With its seaside location, fascinating Art Nouveau Old Town, lively nightlife and hospitality, Capital Latvia is considered the pearl of the Baltics.

Join us for the AMRES 2024 meeting and make a note of this date, which falls in the period of the white nights and will certainly be another exciting experience.

Looking forward to welcoming you to Riga!

Werner Heppt
President of RSE

Tatjana Bogdanova
Chair of Annual Meeting 2024
